Innovative Marketing for the 21st Century Restaurant

flashoffers 

What can **flashoffers** do for you?

How do I let potential customers know about the latest dining offers?

How can I increase my lunchtime work crowd traffic?

How do I promote the takeout business?

How can I track the success of my offers?

With **flashoffers** you can....

Create promotions at anytime that will reach your customers instantly.

Attract the lunchtime work crowd by sending your promotions just before lunch.

Increase traffic on slow nights by sending promotions to diners in your area.

Convert your existing customers into your biggest promoter thus attracting new customers.

Create the "in" image with your customers.

flashoffers is an alternative to traditional methods of marketing and advertising. We help to launch and deliver your marketing campaign to your customers' cellular phones.

flashoffers Service is a monthly subscription service that allows you to run daily promotions. Call now to find out about our **30 day free trial**.
